

ABOUT US

Our Mission is to provide quality early childhood education services in a caring environment primarily for children of low- and middle-income working families.

We take pride in working together as a team incorporating staff, parents, and children to provide quality early childhood education services for the children in our community.

IMPACT ON JC'S ECONOMY

Workforce Participation

Subsidized daycare enables parents to participate in the workforce, boosting family income and community engagement.

Increased Productivity

With daycare support, parents can focus on their jobs, leading to overall increased productivity in the local economy.

Economic Stability

Subsidized daycare contributes to economic stability within communities by ensuring parents can work and support their families.
